# Happy Days are Here Again

*Annette Hanshaw*

*Milton Ager (music) and Jack Yellen (lyrics)*

Happy days are here again;  
The skies above are clear again;  
Let us sing a song of cheer again--  
Happy days are here again!

Altogether--shout it now;  
There's no one  
Who can doubt it now.  
So let's tell the world all about it  
now.  
Happy days are here again!

Your cares and troubles are gone;  
There'll be no more from now;  
Happy days are here again;  
The skies above are clear again...

# Blue Suede Shoes

*Elvis Presley*

*Songwriter: Carl Perkins*

Well, it's one for the money  
Two for the show  
Three to get ready  
Now go, cat, go  
But don't you  
Step on my blue suede shoes  
Well you can do anything  
But stay off of my blue suede shoes

Well, you can knock me down  
Step in my face  
Slander my name all over the place  
Well do anything that you want to do  
But uh-uh, honey lay off of them shoes  
And don't you step on my blue suede shoes  
Well, you can do anything  
But stay off of my blue suede shoes

You can burn my house  
Steal my car  
Drink my liquor  
From an old fruit jar  
Well do anything that you want to do  
But uh-uh, honey lay off of my shoes

Well, it's  
Blue, blue  
Blue suede shoes  
Blue, blue  
Blue suede shoes, yeah!  
Blue, blue  
Blue, suede shoes, baby  
Blue, blue  
Blue suede shoes  
Well, you can do anything  
But stay off of my blue suede shoes

# Eight Days the Week

*The Beatles*

Ooh I need your love babe,  
Guess you know it's true.  
Hope you need my love babe,  
Just like I need you.

Hold me, love me, hold me, love me.  
Ain't got nothin' but love babe,

Eight days a week.  
Love you ev'ry day girl,  
Always on my mind.  
One thing I can say girl,  
Love you all the time.

Hold me, love me, hold me, love me.  
Ain't got nothin' but love babe,  
Eight days a week.

Eight days a week  
I love you.  
Eight days a week  
Is not enough to show I care.

Ooh I need your love babe, ...  
Eight days a week ...  
Love you ev'ry ...  
Eight days a week. Eight days a week. Eight days a  
week.

# Octopus' Garden

*The Beatles*

I'd like to be under the sea  
In an octopus' garden in the shade  
He'd let us in, knows where we've been  
In his octopus' garden in the shade  
I'd ask my friends to come and see  
An octopus' garden with me

I'd like to be under the sea  
In an octopus' garden in the shade.  
We would be warm below the storm  
In our little hideaway beneath the waves  
Resting our head on the sea bed  
In an octopus' garden near a cave

We would sing and dance around  
Because we know we can't be found  
I'd like to be under the sea  
In an octopus' garden in the shade

We would shout and swim about  
The coral that lies beneath the waves  
(Lies beneath the ocean waves)  
Oh what joy for every girl and boy  
Knowing they're happy and they're safe  
(Happy and they're safe)

We would be so happy you and me  
No one there to tell us what to do  
I'd like to be under the sea  
In an octopus' garden with you.

# You make me feel so young

*Frank Sinatra*

*Songwriters: Josef Myrow / Mack Gordon*

You make me feel so young  
You make me feel as though spring  
has sprung  
And every time I see you grin  
I'm such a happy individual

The moment that you speak  
I wanna go play hide and seek  
I wanna go and bounce the moon  
Just like a toy balloon  
You and I are just like a couple of tots  
Runnin' across the meadow  
Pickin' up lots of forget me nots

You make me feel so young  
You make me feel there are songs to  
be sung Bells to be rung  
And a wonderful spring to be sprung  
And even when I'm old and grey  
I'm gonna feel the way I do, today  
'Cause you make me feel so young

You make me young  
You make me feel as though spring  
has sprung  
And every time I see you grin  
I'm such a happy individual

The moment that you speak  
I wanna go play hide and seek  
I wanna go and bounce at the moon  
Like a big balloon

Because, you and I are just like a couple  
of tots  
Runnin' across the meadow  
Grabbing up all

You make me up  
You make me feel there are songs to be  
sung  
Lots of bells to be rung  
And a wonderful fling to be flung  
And even when I'm old and gray  
I'm gonna feel the way i do today  
Cause you make me feel so  
Man i just feel so

You make me feel so young  
You make me feel so young  
So young  
You make me feel so young  
You make me feel so young

# **It had to be You**

*Frank Sinatra  
Isham Jones/Gus Kahn*

**Why do I do just as you say  
Why must I just give you your way  
Why do I sigh  
Why don't I try to forget**

**It must have been that something lovers call fate  
Kept me saying "I had to wait"  
I saw them all  
Just couldn't fall 'til we met**

**It had to be you  
It had to be you  
I wandered around  
And finally found  
The somebody who  
Could make me be true**

**And could make me be blue  
And even be glad  
Just to be sad  
Thinking of you**

**Some others I've seen  
Might never been mean  
Might never be crossed  
Or try to be bossed  
But they wouldn't do**

**For nobody else  
Gave me a thrill  
With all your faults  
I love you still**

**It had to be you  
Wonderful you  
It had to be you  
For nobody else  
Gave me a thrill  
With all your faults  
I love you still  
It had to be you  
Wonderful you  
It had to be you**

# I Only Have Eyes For You

*The Flamingos*  
*Harry Warren and Al Dubin*

My love must be a kind of blind love  
I can't see anyone but you  
Are the stars out tonight ?  
I don't know if it's cloudy or bright  
I only have eyes for you, Dear

The moon may be high  
But I can't see a thing in the sky  
I only have eyes for you  
I don't know if we're in a garden  
Or on a crowded avenue

You are here and so am I  
Maybe millions of people go by  
But they all disappear from view  
And I only have eyes for you

# But Will You Love Me Tomorrow

*The Shirelles*  
*Carole King / Gerry Goffin*

Tonight you're mine, completely  
You give your love so sweetly  
Tonight the light of love is in your eyes  
But will you love me tomorrow

Is this a lasting treasure  
Or just a moment's pleasure  
Can I believe the magic in your sighs  
Will you still love me tomorrow  
Tonight with words unspoken  
You say that I'm the only one  
But will my heart be broken  
When the night meets the morning sun

I'd like to know that your love  
Is a love I can be sure of  
So tell me now and I won't ask again  
Will you still love me tomorrow  
So tell me now and I won't ask again  
Will you still love me tomorrow  
Will you still love me tomorrow  
Will you still love me tomorrow

# Stand By Me

*Ben E. King*

*Ben E. King, Jerry Leiber, and Mike Stoller*

When the night has come  
And the land is dark  
And the moon is the only light we'll see  
No I won't be afraid, no I won't be afraid  
Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh now now  
stand by me  
Stand stand by me, stand by me

If the sky that we look upon  
Should tumble and fall  
And the mountains should crumble to the  
sea  
I won't cry, I won't cry, no I won't shed a tear  
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh now now  
Stand by me  
Stand by stand by me stand by me

Darlin', darlin', stand by me, stand by me  
Stand by me stand by me stand by me

# Then He Kissed Me

*The Crystals*

*Phil Spector, Ellie Greenwich and Jeff Barry.*

Well, he walked up to me and he asked me if I wanted to dance  
He looked kinda nice and so I said I might take a chance  
When he danced he held me tight  
And when he walked me home that night  
All the stars were shining bright  
And then he kissed me

Each time I saw him I couldn't wait to see him again  
I wanted to let him know that he was more than a friend  
I didn't know just what to do  
So I whispered I love you  
He said that he loved me too  
And then he kissed me

He kissed me in a way that I've never been kissed before  
He kissed me in a way that I want to be kissed forevermore

I knew that he was mine so I gave him all the love that I had  
And one day he took me home to meet his mom and his dad  
Then he asked me to be his bride  
And always be right by his side  
I felt so happy I almost cried  
And then he kissed me

Then he asked me to be his bride  
And always be right by his side  
I felt so happy I almost cried  
And then he kissed me  
And then he kissed me  
And then he kissed me  
And then he kissed me

# Love Potion Number 9

*The Searchers*  
*Songwriter: Jed Leiber*

I took my troubles down to Madame Roux  
You know that gypsy with the gold-capped tooth  
She's got a pad down on Thirty-Fourth and Vine  
Selling little bottles of love potion number nine

I told her that I was a flop with chicks  
I've been this way since 1956  
She looked at my palm and she made a magic sign  
She said "What you need is love potion number nine"

She bent down and turned around and gave me a wink  
She said "I'm gonna make it up right here in the sink"  
It smelled like turpentine, it looked like Indian ink  
I held my nose, I closed my eyes, I took a drink

I didn't know if it was day or night  
I started kissing everything in sight  
But when I kissed a cop down on Thirty-Fourth and Vine  
He broke my little bottle of Love Potion Number Nine

I held my nose, I closed my eyes, I took a drink  
I didn't know if it was day or night  
I started kissing everything in sight  
But when I kissed a cop down on Thirty-Fourth and Vine  
He broke my little bottle of Love Potion Number Nine

Love potion number nine  
Love Potion number nine  
Love Potion number nine

# 76 Trombones

“From "Music Man"”

*Meredith Willson*

Seventy-six trombones led the big parade  
With a hundred and ten cornets close at hand.  
They were followed by rows and rows of the finest virtuosos,  
the cream of ev'ry famous band.

Seventy-six trombones caught the morning sun  
With a hundred and ten cornets right behind  
There were more than a thousand reeds springing up like weeds  
There were horns of ev'ry shape and kind.

There were copper bottom tympani in horse platoons  
Thundering, thundering all along the way.  
Double bell euphoniums and big bassoons,  
Each bassoon having its big, fat say!

There were fifty mounted cannon in the battery  
Thundering, thundering louder than before  
Clarinets of ev'ry size and trumpeters who'd improvise  
A full octave higher than the score!

Seventy-six trombones led the big parade  
With a hundred and ten cornets close at hand.  
They were followed by rows and rows of the finest virtuosos,  
the cream of ev'ry famous band.

# You Ain't Goin' Nowhere

*Bob Dylan*

Clouds so swift, rain won't lift  
Gate won't close, railings froze  
Get your mind off wintertime  
You ain't goin' nowhere

## CHORUS

Whoo-ee! Ride me high  
Tomorrow's the day my  
bride's gonna come  
Oh, oh, are we gonna fly  
Down in the easy chair!

I don't care how many letters they sent  
Morning came and morning went  
Pick up your money and pack your tent  
You ain't goin' nowhere

## CHORUS

Buy me a flute, and a gun that shoots  
Tailgates and substitutes  
Strap yourself to the tree with roots  
You ain't goin' nowhere

## CHORUS

Genghis Khan, He could not keep  
All his kings supplied with sleep  
We'll climb that hill no matter how steep  
When we get up to it

## CHORUS

# I'm Into Something Good

*Herman's Hermits  
Gerry Goffin and Carole King*

Woke up this mornin' feelin' fine  
There's somethin' special on my mind  
Last night I met a new girl in the neighborhood  
Somethin' tells me I'm into something good  
She's the kind of girl who's not too shy  
And I can tell I'm her kind of guy. She  
Danced up close to me like I hoped she would  
Somethin' tells me I'm into something good

## CHORUS

We only danced for a minute or two, but  
then she stuck close to me the whole night through  
Can I be fallin' in love  
She's everything I've been dreamin' of  
I walked her home and she held my hand  
I knew it couldn't be just a one-night stand  
I asked to see her next week and she told me I could  
Somethin' tells me I'm into something good

## CHORUS

I walked her home and she held my hand  
I knew it couldn't be just a one-night stand  
I asked to see her next week and she told me I could  
Somethin' tells me I'm into something good  
Somethin' tells me I'm into something good  
Somethin' tells me I'm into something good

# You've Got A Friend

*Carole King*

When you're down and troubled  
And you need some loving care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you  
Grows dark and full of clouds  
And that old north wind begins to blow  
Keep your head together  
And call my name out loud  
Soon you'll hear me knocking at your  
door

You just call out my name  
And you know wherever I am  
I'll come running, running, to see you  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there Yes i will

Now ain't it good to know that  
you've got a friend  
When people can be so cold  
They'll hurt you, listen desert you  
And take your soul if you let them  
Oh, but don't you let them

You just call out my name  
And you know wherever I am  
I'll come running, running to see  
you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there yes i will

You've got a friend!  
You've got a friend!  
Ain't it good to know,  
You've got a friend  
Ain't it good to know!  
Ain't it good to know!  
Ain't it good to know  
You've got a friend  
Oh yeah  
You've got a friend  
Yeah baby  
You've got a friend  
Oh yeah  
You've got a friend

# Do You Know the Way to San Jose

*Dionne Warwick*

*Hal David / Burt Bacharach*

Do you know the way to San Jose?  
I've been away so long. I may go wrong and lose my way  
Do you know the way to San Jose?  
I'm going back to find some peace of mind in San Jose

L.A. is a great big freeway  
Put a hundred down and buy a car  
In a week, maybe two, they'll make you a star  
Weeks turn into years. How quick they pass  
And all the stars that never were  
Are parking cars and pumping gas

You can really breathe in San Jose  
They've got a lot of space. There'll be a place where I can stay  
I was born and raised in San Jose  
I'm going back to find some peace of mind in San Jose

Fame and fortune is a magnet  
It can pull you far away from home  
With a dream in your heart you're never alone  
Dreams turn into dust and blow away  
And there you are without a friend  
You pack your car and ride away

I've got lots of friends in San Jose  
Do you know the way to San Jose?

L.A. is a great big freeway  
Put a hundred down and buy a car  
In a week, maybe two, they'll make you a star  
Weeks turn into years. How quick they pass  
And all the stars that never were  
Are parking cars and pumping gas

I've got lots of friends in San Jose  
Do you know the way to San Jose?  
Can't wait to get back to San Jose

# Jamaica Farewell

*Harry Belafonte*  
*Irving Burgie/Genre: Mento*

Down the way where the nights are gay  
And the sun shines daily on the mountain top  
I took a trip on a sailing ship  
And when I reached Jamaica I made a stop

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town

Down the market you can hear  
Ladies cry out while on their heads they bear  
'Akey' rice, salt fish are nice  
And the rum is fine any time of year

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town

Sounds of laughter everywhere  
And the dancing girls sway to and fro  
I must declare my heart is there  
Though I've been from Maine to Mexico

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town

Down the way where the nights are gay  
And the sun shines daily on the mountain top  
I took a trip on a sailing ship  
And when I reached Jamaica I made a stop

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town

# Good Night, Irene

*Huddie 'Lead Belly' Ledbetter*

Last Saturday night I got married  
Me and my wife settled down  
Now me and my wife have parted  
I'm gonna take a little stroll downtown

Irene good night Irene good night  
Good night Irene Good night Irene  
I'll get you in my dreams

Some times I live in the country  
Some times I live in town  
Some times I take a great notion  
To jump in the river and drown

Irene good night Irene good night  
Good night Irene Good night Irene  
I'll get you in my dreams

Quit your ramblin', quit your gamblin'  
Stop staying out late at night  
Go home with your wife and family  
Stay there by the fireside bright

Irene good night Irene good night  
Good night Irene Good night Irene  
I'll get you in my dreams

You caused me to weep You caused me to moan  
You caused me to leave my home.  
But the very last words I heard her say  
Was sing me one more song.

Irene good night Irene good night  
Good night Irene Good night Irene  
I'll get you in my dreams

# Goodnight Sweetheart

*The Platters*

*Calvin Carter / Thornton James Hudson*

Goodnight, sweetheart, well, it's time to go,  
Goodnight, sweetheart, well, it's time to go,  
I hate to leave you, but I really must say,  
So goodnight, sweetheart, goodnight.

Well, it's three o'clock in the morning, so there your are you see  
Baby, you just won't treat me right, well i have my reasons  
I hate to leave you baby, and i swear i dont mean maby,  
You know I love you so.

Goodnight, sweetheart, well, it's time to go,  
Goodnight, sweetheart, well, it's time to go,  
I hate to leave you, I really must say,  
So goodnight, sweetheart, goodnight.

Your mother, oh and your dad, wait a minute don't you get personal  
wouldn't mind if i stayed here tonight, are you crazy?  
I hate to leave you baby, but don't mean maby,  
You know I hate to go.

Goodnight, sweetheart, well, it's time to go,  
Goodnight, sweetheart, well, it's time to go,  
I hate to leave you, I really must say,  
So goodnight, sweetheart, goodnight.

# Wonderful World

*Louis Armstrong*

*George Douglas / George David Weiss / Bob Thiele*

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what a wonderful world

I see skies of blue and clouds of white  
The bright blessed day, the dark sacred night  
And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky  
Are also on the faces of people going by  
I see friends shaking hands saying how do you do  
They're really saying I love you

I hear babies crying, I watch them grow  
They'll learn much more than I'll never know  
And I think to myself what a wonderful world  
Yes I think to myself what a wonderful world

Oh yeah ....
